MEMORANDUM FOR THE RECORD

SUBJECT: [REDACTED]

1. I talked to Mr. Colby several times between subsequent events mentioned in DD/S 73-2231 and the fall of 1972. He continued to indicate a desire to move as originally specified in order to divorce the General Counsel from this project but had to discuss further with Mr. Houston. As I understood it Mr. Houston had reservations about going into this study when [REDACTED] was very heavily involved in some major Agency insurance support problems.

2. I have taken no further initiatives waiting some direction from Mr. Colby.
